# INTRODUCING JLP ADVISORY SERVICES (PTY) LTD

JLP Advisory Services is a professional services firm registered in South Africa offering Audit, Tax, Accounting, Financial Advisory Services and Business Planning to a range of clients with different needs.

Our firm is a 100% black privately owned and managed by qualified and experienced Accountants. We are Dynamic and passionate about helping our clients succeed in business and grow from strength to wealth.

Our services are tailor-made for entities with large number of transactions and varied needs. We do this by employing user friendly accounting, payroll packages, audit software packages and a professional team of well qualified Accountants, Audit, Tax & Finance professionals, possessing invaluable and extensive industry experience with adequate hands on experience on computerized Finance & Accountancy.

## OUR VISION AND MISSION

To provide our clients with ethical, professional and dedicated business Auditing, Accounting, Taxation, Advisory and Business Planning consulting services.

To give our clients complete clarity with regards to the financial position of their business.

To assist business clients who might be in crisis with fast and efficient services and solutions to their problems through careful

analysis and implementation of such along with dedicated and caring support throughout the entire process.

To ensure that our clients grow from strength to wealth through our financial advice and planning.

To ensure that our clients have complete peace of mind that proper financial procedures, controls and policies are in place.

To allow our clients the opportunity to always have trusted financial expertise and advice when and where it is needed.

## CORE VALUES

Our **commitment** is to identify, meet and exceed our client's expectations by providing a cost effective, efficient and holistic service.

We provide a **personal** service by being readily available to our clients and responding to their needs within a reasonable time. We establish strong, lasting **relationships** based on service delivery, exceptional quality and our reputation for adding value.

We provide expert and impartial advice and maintain the highest standards of **professional** conduct and expertise
